Out of these reports which all dealt with Hungary, eight have been disseminated and six didn't warrant disseminating.

Besides these GB reports from Caserta, other Crabbe reports have come in from Rome as JR reports. So far, none of these were handled by our section and were processed by the Italian Section. As far as I could ascertain, the following three reports dealt with Hungarian subjects and arrangements have been made that in the future JR reports by Crabbe on Hungarian topics will be routed to our section for processing.

<u>Report No.</u>	<u>Source</u>	<u>Subject</u>	<u>Quality</u>	<u>Disseminated</u>

JR-1728	Crabbe	Hungarian Quislings Seek Support of Vatican	Interesting

Crabbe has also submitted about ten reports concerning countries other than Hungary. Mr. Houck tells me that some of these reports are interesting, some rather dull. All of them are of no great value as intelligence being information typical of the inquiring reporter.
